What to Expect: YouthWorks! mission trips are a great way to serve Jesus on your summer break...and have a lot of fun while doing it! Youth and adult chaperones will have opportunities in Kansas City to serve in a variety of places, which could include elderly centers, soup kitchens, homeless shelters, thrift stores, or children's programs. Each evening trip participants will have a chance to get out into the city and explore what life is like for residents of Kansas City and the culture of the area. Examples of what groups have done in Kansas City in the past include the following: go to the Kansas City Plaza and to a local park, community cookout, go to the Jazz Museum and the National Negro League Museum, or go swimming at a local pool. Each evening will conclude with Club, a time of worship and devotion when the YouthWorks! staff will help participants process what they experienced that day. Come and see the amazing ways that your hands can do God's work!
